THE INTERNATIONAL CALENDAR

2010

European Institute of Public Administration (EIPA)
Workshop: Public Relations, the Media and the Judiciary: Media Relations for Courts, Magistrates and Lawyers

Through a combination of discussions, presentations, exchanges of experiences, simulations and feedback, this highly intensive workshop, which is among the few of its kind targeting specifically the judiciary and practitioners of law, provides:

- practical guidance, techniques and hands-on experience on how to deliver clear concise messages about complex legal issues and cases in today's information laden society, and
- an introduction to planning, implementing and monitoring modern communications campaigns and responding to crisis situations as they arise.

EIPA, Chambre des Métiers Building, 2 Circuit de la Foire Internationale Conference Centre, Conference Room M3.
Maastricht, Netherlands
March 1-3, 2010

The Fiesole Collection Development Retreat Series**

The 12th Fiesole Retreat is devoted to examining changes that are affecting collections and how we approach collection development today. Session will address the Economics of Scholarly Publishing, Digital Publishing in the Humanities, International Projects and Perspectives, and New Metrics and Statistics Regarding Usage. And we'll ask the question: "What's NOT Keeping Us Awake Anymore?" This year's retreat continues many of the major themes that emerged from our 11th Retreat in Glasgow and will present a broad-based look at where we are while making informed suggestion about where we should be going.

Commonwealth Lawyers' Association (CLA)**The 21st Century Lawyer: Present Challenges & Future Skills**

The theme of the conference is 'The 21st Century Lawyer: Present Challenges & Future Skills' and the two programme streams will focus on 'Human Rights & the Rule of Law' and 'Corporate & Commercial Law' with an emphasis on issues of importance within the host country and wider region. The sessions will offer practical training which will provide and further develop the legal skills of those attending, in addition to providing the usual networking opportunities and exciting social programme. It is anticipated that the regional conference will primarily be attended by lawyers from the host jurisdiction and the immediate neighbouring countries.

The aim of the training programme is to enhance the skills of participants in applying Human Rights Based Approaches to Justice Sector Reform. It will facilitate the development of knowledge and skills regarding:

- The legal principles, policies and practice underpinning human rights based approaches to justice sector reform
- The inter-linkages between justice sector actors (law enforcement, judicial, corrections, etc)
- The relationship between the justice sector and related terms such as "security sector", "rule of law", "good governance"
- Human Rights Based needs assessment, programme design, implementation, as well as monitoring & evaluation
- Programming tools and checklists (including Human Rights Based benchmarks and indicators of change)
- Case studies from national contexts as well as international field missions (including conflict and post-conflict)
- Teamwork, advocacy and strategic partnerships
